

SHORTY™ BUCKET SEAT COVER

INSTALLATION INSTRUCTIONS

1. Pull the seat cover over the top of the seat and adjust accordingly for a smooth fit.
2. Slide the seat flap (A) through where the back of the seat and bottom of the seat meet.
3. Fit the bottom of the seat cover over the bottom of the seat.
4. Pull the seat flap (A) tightly in place and hook the two elastic straps onto the flap.
5. Wrap straps (B) located on each side of the seat cover around to the back and clip together. Adjust for snug fit.
6. Pull the seat flap strap (C) under the the seat and clip in front below the pocket. Adjust for snug fit.

Washing Instructions:

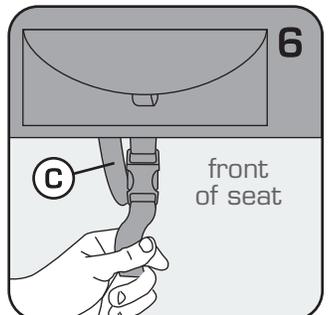

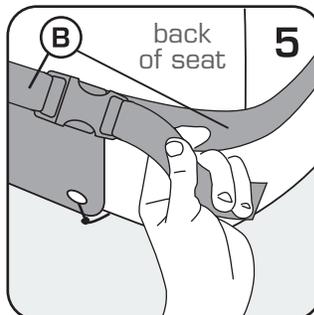

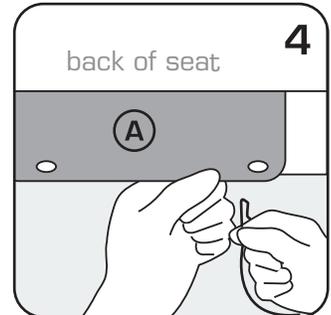

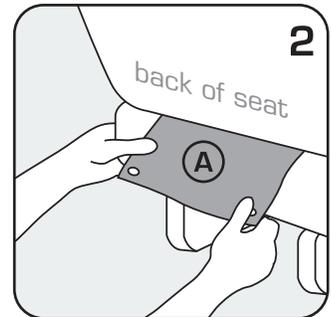

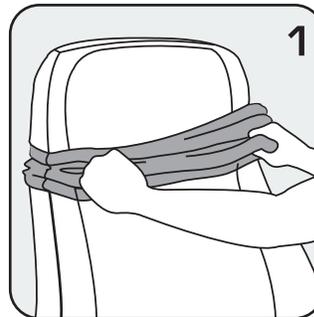

- Brush off loose dirt with a dry brush.
- Wash with cold water, if necessary machine wash in front loading unit with mild soap.
- Hang to dry.

Notice:

Please contact Kurgo directly with any product or return inquiries. If you have any questions or concerns please contact us directly before you contact the retailer; we are great problem solvers. We hope that you will be happy with your purchase and will think of Kurgo next time you travel with your dog.

Caution:

Check with your vehicle manufacturer regarding side bag airbag restrictions. Use of this seat cover may interfere with deployment of side air bags.
